IT & Data_Protection Pre_Assessment tools

Organization Information

* **1. Organization Name:**

_____

* **2. Assessment Date:**

_____

* **3. Assessor Name:**

_____

* **4. Primary Sector/Program Focus:**

- [ ] Health
- [ ] Education
- [ ] Livelihoods
- [ ] WASH
- [ ] Protection
- [ ] Food Security
- [ ] Emergency Response
- [ ] Other

* **If "Other" selected, please specify:**

_____

* **5. Interviewee Name:**

_____

* **6. Interviewee Role / Function:**

_____

* **7. Work Contact (Email):**

_____

* **8. Work Contact (Phone):**

_____

A. Data Governance & Compliance

» A1. Policy Framework

*** 5. Which of the following written policies does your organization have?**

- [ ] Data Protection/Privacy Policy
- [ ] IT Security Policy
- [ ] None
- [ ] Other (specify)

* **If "Other" selected, please specify:**

_____

*** 6. Are data protection policies aligned with any of the following regulations?**

- [ ] GDPR
- [ ] Donor Requirements
- [ ] Humanitarian Principles
- [ ] Not aligned
- [ ] Don't know
- [ ] Not applicable
- [ ] Other

* **If "Other" selected, please specify:**

_____

*** 7. How frequently are data protection policies reviewed and updated?**

- ( ) Annually
- ( ) When required
- ( ) Never
- ( ) Not applicable

» A2. Roles & Responsibilities

*** 8. Are the following roles formally assigned?**

- [ ] Data Manager
- [ ] IT Officer
- [ ] System Administrator
- [ ] None formally assigned
- [ ] Other

* If "Other" selected, please specify:

*** 9. Is there a clear process for managing data protection responsibilities when staff change roles or leave?**

- ◯ Yes
- ◯ No
- ◯ Partially
- ◯ Not applicable

* If "Yes" or "Partially", please explain the process:

B. Data Management & Quality

» B1. Data Collection & Consent

*** 10. What types of data does your organization collect?**

- ☐ Beneficiary Personal Data
- ☐ Staff Personal Data
- ☐ Sensitive Data (health, protection)
- ☐ Financial Data
- ☐ Program Monitoring Data
- ☐ Survey/Research Data
- ☐ Geolocation Data
- ☐ Multimedia (photos/videos)
- ☐ Others

* If collecting other data types not listed, please specify:

*** 11. What consent mechanisms are used for data collection?**

- ☐ Written consent forms
- ☐ Digital consent
- ☐ Verbal consent documented
- ☐ No formal consent process
- ☐ Other

* If using other consent mechanisms, please specify:

» B2. Data Storage & Security

*** 13. Where is program data primarily stored?**

- [ ] Cloud services
- [ ] Local servers
- [ ] Individual computers
- [ ] Paper records
- [ ] Mobile devices
- [ ] External hard drives
- [ ] Other

* **If other storage methods used, please specify:**

_____

*** 14. Which data security measures are implemented?**

- [ ] Encryption at rest
- [ ] Encryption in transit
- [ ] Access controls
- [ ] Regular security updates
- [ ] Antivirus software
- [ ] Firewall
- [ ] Minimum implemented

*** 15. How is sensitive data protected differently from regular data?**

- ( ) Additional encryption
- ( ) Restricted access
- ( ) Special storage
- ( ) No differentiation
- ( ) Not applicable

» B3. Data Quality

*** 16. What data quality controls are in place?**

- [ ] Data validation rules
- [ ] Regular data cleaning
- [ ] Standardized entry formats
- [ ] None
- [ ] Manual checks only

*** 17. How is data accuracy verified?**

- ◯ Regular validation
- ◯ Spot checks
- ◯ Don't verify
- ◯ Automated systems
- ◯ Not applicable
- ◯ Others

If "Regular validation" or "Other methods", please describe:

_____

C. Data Analysis & Usage

» C1. Analytical Capabilities

*** 18. What tools are used for data analysis?**

- ☐ Excel/Spreadsheets
- ☐ Statistical software (R, SPSS)
- ☐ BI tools (Power BI, Tableau)
- ☐ Python
- ☐ Database queries
- ☐ No formal analysis
- ☐ Others

* **If other tools used, please specify:**

_____

*** 19. Who performs data analysis?**

- ☐ Dedicated M&E staff
- ☐ Program staff
- ☐ Managers
- ☐ External consultants
- ☐ No dedicated analysis

*** 20. How is analyzed data used for decision-making?**

- [ ] Program adjustments
- [ ] Donor reporting
- [ ] Strategic planning
- [ ] Advocacy
- [ ] Not systematically used
- [ ] Other

* **If other uses, please specify:**

_____

» C2. Data Sharing & Reporting

*** 21. With whom is data regularly shared?**

- [ ] Donors
- [ ] Implementing partners
- [ ] Government agencies
- [ ] UN clusters
- [ ] Not shared externally

*** 22. How are findings from data analysis communicated?**

- [ ] Dashboards
- [ ] Reports
- [ ] Presentations
- [ ] Infographics
- [ ] Verbal updates
- [ ] Not systematically communicated

D. Data Lifecycle Management

» D1. Access Controls

*** 24. How is access to data systems managed?**

- [ ] Role-based access
- [ ] Individual permissions
- [ ] Department-based access
- [ ] Universal access
- [ ] No formal access controls

*** 25. When do access rights get reviewed?**

- ( ) Regularly scheduled
- ( ) When staff change roles
- ( ) Never reviewed
- ( ) Not applicable
- ( ) Others

* **If "Regularly scheduled" or "Other", please describe frequency:**

_____

» D2. Backup & Recovery

*** 26. What backup procedures are in place?**

- [ ] Automated daily backups
- [ ] Manual backups
- [ ] Cloud backups
- [ ] No regular backups
- [ ] Don't know
- [ ] Other

* **If other backup procedures, please specify:**

_____

*** 27. Has a restore/test been performed in the last 6 months?**

- ( ) Yes
- ( ) No
- ( ) Not applicable
- ( ) Don't know

* If "Yes", please describe when and what was tested:

» D3. Retention & Disposal

*** 28. How is data securely disposed of?**

- [ ] Secure deletion software
- [ ] Physical destruction
- [ ] Cloud provider deletion
- [ ] Manual deletion
- [ ] No secure disposal
- [ ] Other

* If other disposal methods, please specify:

E. Capacity & Awareness

» E1. Training

*** 30. What data-related training have staff received?**

- [ ] Data protection basics
- [ ] Secure data handling
- [ ] Tool-specific training
- [ ] Data analysis methods
- [ ] No formal training
- [ ] Other

* If other training received, please specify:

*** 31. Is data protection training mandatory for new staff?**

- ( ) Yes, for all staff
- ( ) Yes, for specific roles
- ( ) No
- ( ) Not applicable

* If "Yes, for specific roles", please specify which roles:

» E2. Awareness & Culture

*** 32. Which statements reflect your organization's data culture?**

- [ ] Data protection is everyone's responsibility
- [ ] Leadership prioritizes data security
- [ ] Staff are aware of data risks
- [ ] Limited awareness of data issues

*** 33. Are confidentiality agreements signed?**

- ( ) By all staff/volunteers
- ( ) By some roles only
- ( ) Not required
- ( ) Not applicable

If "By some roles only", please specify which roles:

_____

F. Risk Management

*** 34. Has a data protection impact assessment been conducted?**

- ( ) Yes, regularly
- ( ) Yes, once
- ( ) Planned
- ( ) No
- ( ) Not applicable

* **If "Yes, regularly" or "Yes, once", please describe when and scope:**

_____

*** 35. Does the organization have a data breach response plan?**

- ( ) Yes
- ( ) No
- ( ) Partially
- ( ) Not applicable

*** 36. Have any data incidents occurred in the past year?**

- ◯ Yes (please describe)
- ◯ No
- ◯ Not aware of any
- ◯ Prefer not to say

*** If "Yes" selected, please describe the incident(s):**

_____

G. Additional Resources & Challenges

*** 37. What are the biggest challenges in data management?**

- ☐ Limited staff capacity
- ☐ Insufficient budget
- ☐ Lack of tools
- ☐ Complex donor requirements

*** 38. What support would most improve your data management?**

- ☐ Training
- ☐ Better tools
- ☐ Clearer policies
- ☐ Technical assistance
- ☐ Templates/guidance
- ☐ Peer learning

Assessment Summary

*** 39. Priority areas for improvement:**

_____

*** 40. Additional comments:**

_____
